

Snapshot of the 2026 Limited License Agreement

Christmas Series of Individual Programs is available via **Barter & Underwriting Terms**

Under both the **Barter & Underwriting** terms of compensation, the radio station has the right to broadcast
individual Short-Form programs and/or 2-Minute programs
an unlimited number of times from

Friday, November 20, 2026 through Christmas Day, December 25, 2026 (36 dates).

In exchange,

- TheMusicalSoundReview.com (The MSR) shall receive for its sponsor a **20-second opening billboard** and a **20-second closing billboard** each time an individual program is aired during the 2026 Term.
- The radio station shall provide The MSR for its advertiser(s) an **affidavit of performance** when needed.

**All Forms of On-Demand Standalones & Podcasts of Our Programs are
Strictly Prohibited!**

Selling Our **Christmas** Series To Potential Advertisers

Many of our radio affiliates run same-titled programs 3, 4, 5x daily in their respective dayparts from their November start dates through Christmas Day. In this way, stations may locally structure multiple levels of advertising rates for as many as 5 different advertisers.

Spinoff Series in Production:
“The Inside Stories Behind The Fabulous 45s”
featuring legendary songwriters & recording artists
